

**Featured Artist of the Month
Lyn Nelson**

Our artist of the month is Lyn Nelson, who is a potter. Lyn has always admired the art of pottery. After she retired from a career as a physical therapist, she decided to take lessons. She took a series of classes and has continued to enjoy hand building with clay ever since.

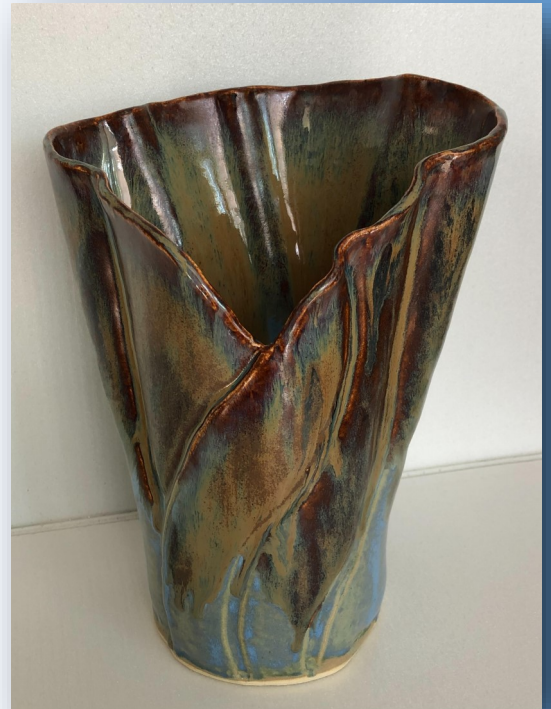

Nature inspires Lyn which is evident by much of her work. Her various forms of art are enhanced by her glaze combinations. Most of her work is very functional.

Lyn finds that her love of working with pottery has kept her centered during much of these chaotic times. Lyn is a member of the Grays Harbor Potters Guild, and derives much enjoyment and support working with the other members.

You can find Lyn's art for sale at the Grays Harbor Potters Guild Gallery at 2222 Simpson Avenue in Hoquiam.

***The gallery is open Thursday - Sunday from 11:00 AM - 2:00 PM.
Their website is: grayshaborpottersguild.com. Lyn will also be a participating Artist in the "Art Splash Studio Tour" the second weekend in August of each year.***
